

Expectations

To fulfill the requirements for this certificate, we expect participants to:

- **Enroll** online in one or more certificates. <http://meded.ucsf.edu/cfe/Teach-for-UCSF> 
-  **Register** in advance for workshops at: <http://meded.ucsf.edu/cfe/educational-skills-workshops>
- **Attend** 2-3 workshop per year to complete the certificate in 2-4 years. Expected time investment ranges from 4-16 hours per year.
- **Participate actively** in workshops.
- **Demonstrate skills** by completing a performance assessment checklist during each workshop.
- **Set personal goals** for applying the skills learned to their own practice setting.

UCSF is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit™ issued by organizations accredited by the ACCME.

The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for AMA PRA Category 1 Credit™.

Teach for UCSF Certificate Program

Clinical Teaching

UCSF invites current and future faculty* to follow a path through the UCSF Educational Skills Workshops to develop their teaching skills and receive a certificate in recognition of their achievement.

Teach for UCSF program goals:

- Improve the quality and depth of the teaching skills of UCSF faculty
- Increase the capacity and satisfaction of UCSF faculty as teachers
- Develop faculty with teaching expertise in specific themes

*paid and volunteer clinical, basic science, and social science faculty at UCSF and affiliated institutions, as well as UCSF residents, fellows, and post-docs.

Inter-Professional Teaching

QI/PS

LOOK INSIDE ►

Intended for teachers in clinical settings, this certification consists of 9 required workshops. Participants demonstrate skills learned by completing assessment exercises during the workshops.

Workshops

- Clinical Teaching
- Setting Goals and Expectations
- Time-Efficient Teaching
- Clinical Reasoning
- Feedback
- Learning Climate
- Teaching and Assessing Competencies
- Writing Narrative Evaluations
- SOAP for Learner Professionalism (new for 2015)

Objectives

- Create an educational environment for learners that encourages their learning, self-improvement, and development as clinicians.
- Provide learners with verbal and written feedback to generate plans for improvement.
- Apply an expanded repertoire of teaching and assessment methods to diverse types of learners in various clinical settings.
- Implement strategies to address challenges that might arise in clinical teaching.
