

Expectations

To fulfill the requirements for this certificate, we expect participants to:

- **Enroll** online in one or more certificates. <http://meded.ucsf.edu/cfe/Teach-for-UCSF> 
-  **Register** in advance for workshops at: <http://meded.ucsf.edu/cfe/educational-skills-workshops>
- **Attend** 2-3 workshop per year to complete the certificate in 2-4 years. Expected time investment ranges from 4-16 hours per year.
- **Participate actively** in workshops.
- **Demonstrate skills** by completing a performance assessment checklist during each workshop.
- **Set personal goals** for applying the skills learned to their own practice setting.

UCSF is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit™ issued by organizations accredited by the ACCME.

The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for AMA PRA Category 1 Credit™.

Teach for UCSF Certificate Program

Simulation Teaching

UCSF invites current and future faculty* to follow a path through the UCSF Educational Skills Workshops to develop their teaching skills and receive a certificate in recognition of their achievement.

Teach for UCSF program goals:

- Improve the quality and depth of the teaching skills of UCSF faculty
- Increase the capacity and satisfaction of UCSF faculty as teachers
- Develop faculty with teaching expertise in specific themes

*paid and volunteer clinical, basic science, and social science faculty at UCSF and affiliated institutions, as well as UCSF residents, fellows, and post-docs.

General Teaching

Clinical Teaching

Simulation Teaching

Inter-Professional Teaching

QI/PS

LOOK INSIDE ►

Intended for teachers who want to become proficient in the use of simulation, this certification consists of 9 workshops. Participants demonstrate the skills learned by completing assessment exercises during the workshops.

Workshops

- Curriculum Development
- Simulation: Why, When and What
- Planning and Designing Mannequin-Based Simulation Scenarios
- Effective Use of Standardized Patients
- Small Group Teaching
- Learning Climate
- Conducting Scenario-Based Simulations
- Debriefing Scenario-Based Simulations
- Teaching and Assessing Competencies

Objectives

- Apply principles of curriculum development to the design of simulation scenarios, in particular choose appropriate simulation strategies to achieve learning objectives.
- Conduct scenario-based simulations maximizing fidelity and learner engagement.
- Choose and apply an effective debriefing strategy for scenario-based simulations.
- Choose and apply effective assessment tools for use in simulation.
