Mission

To build a broadly diverse faculty, student, staff and trainee community, to nurture a culture that is welcoming and supportive, and to engage diverse ideas for the provision of culturally competent education, discovery, patient care and community engagement.

Our Campus Community

Workforce of 23,266
- Staff: 63% female, 52% minority
- Faculty: 48% female, 31% minority (24% Asian, 7% URM)

Students in degree programs - 3,066
