I. PURPOSE

To establish standards of dress and personal appearance for employees, volunteers and others who represent the UCSF Medical Center and UCSF Benioff Children’s Hospital (collectively referred to as UCSF Medical Center), and to provide guidelines for specific departmental dress, and personal appearance standards.

These standards are designed to promote employee and patient safety, portray a professional image to patients, visitors and colleagues, and to enable patients, visitors and colleagues to identify professional staff and their roles. All personnel must maintain an overall appearance that will demonstrate respect for others and maintain professional dignity and standards in the eyes of patients, physicians, co-workers and visitors. Employees can expect to receive feedback from both staff members and managers when overall appearance is not congruent with a professional image.

IV. POLICY

All UCSF Medical Center employees are required to follow the Employee Dress Policy, which reflects the professional standards to service excellence, as well as a safe and secure environment for all patients, visitors and staff.

A. Dress and Personal Appearance Requirements for all staff

1. All clothing must be neat, clean and appropriate to work assignments. Managers will address any questions regarding appropriateness of attire. Extreme or immodest attire or accessories could be of concern to patients who are confused or medicated, or may be offensive to our patient population.
Employee Dress Standards

POLICY 4.03.04
Human Resources
Employee Dress Standards
Issued: April 2001
Last Approved: June 2014

a. Examples of unacceptable attire include, but are not limited to: sheer garments, halter or tank tops, items designed to be worn as undergarments, oversized or baggy garments or garments such as leggings and spandex pants designed to be worn as athletic wear. Soiled, torn or frayed garments are also unacceptable. Blue jeans, patient or isolation gowns, and apparel accessories containing phrases or pictures unrelated to the professional environment of the Medical Center are unacceptable.

b. Medical Center laundered scrub apparel will be issued to staff who work in areas where scrubs are required to ensure an appropriate environment for the safety of patients. Medical Center laundered scrub apparel should only be provided to employees who would be unable to perform their duties in the event that their ordinary clothes or uniform become contaminated. Refer to 3.05.15 Scrub Apparel Policy for more information.

c. Employees in specific positions are required to wear uniforms assigned by the UCSF Medical Center/UCSF Benioff Children’s Hospital to enable patients, visitors and colleagues to identify staff and their roles on the healthcare team (Appendix A). The uniforms are the property of the employee. It is the employee’s responsibility to properly maintain their uniforms.

2. Employees are expected to maintain good personal hygiene such that body odor, smoke and other odors are not detectable.

3. The natural nails of healthcare workers are to be kept neatly manicured and short, i.e. should not extend past the tip of the finger. Artificial nail enhancements are not to be worn by anyone who has direct patient contact. Nail polish is permitted, provided it is not chipped. Anything else applied to natural nails other than polish is considered an enhancement. This includes, but is not limited to artificial nails, tips, wraps, appliqués, acrylics, gels, and any additional items applied to the nail surface. Specific non-direct patient care delivery departments may choose to implement this policy if the work product of the department involves an item that will be used by a patient.

4. UCSF Medical Center Photo identification badges must be worn above the waist and be clearly visible. If an employee forgets his/her nametag for a shift, a substitute nametag must be worn.

5. Shoes must be safe, clean, in good repair, and appropriate for the work to be performed. Safety shoes may be required. Sandals, thongs, and bare feet are unacceptable.

6. Hair and facial hair must be clean and dry, controlled and trimmed, so as not to interfere with job duties.
7. Jewelry, cosmetics, and other accessories shall be appropriate to work assignments and may not be worn where safety or health standards would be compromised. Moderation is encouraged.

8. Out of consideration for patients and staff who are environmentally sensitive, the use of scented personal products is strongly discouraged.

9. Uniforms, smocks, or lab coats may be required to facilitate safety and health standards or to more clearly identify departmental designations.

10. Headgear, except that required by religious belief, is not allowed. Stereo headphones are also prohibited.

V. PROCEDURES

A. The Medical Center Associate Directors, Department Directors, and Department Managers are responsible for enforcing this policy and for ensuring that departments reporting to them maintain dress and personal appearance standards when either professional standards and/or health and safety mandates require them.

B. Employees reporting to work dressed or groomed in direct violation of this policy may be subject to corrective action and may be required to make corrections before reporting/returning for duty.

C. It is the responsibility of the manager to determine compliance with these standards. Corrective action for not meeting these standards will include but not be limited to the following:

1. Patient care personnel need to be aware of the image they project and take responsibility for adjusting their appearance if feedback suggests changes are necessary.

2. An employee not in compliance with minimum standards will be required to change clothing and will be issued a counseling letter for failure to comply with the department dress code policy.

3. Continued failure to comply with department and Medical Center dress and personal appearance policies may result in disciplinary action, up to and including dismissal.

VI. RESPONSIBILITY

Questions about the implementation of this policy should be directed to the Executive Director of Human Resources at 353-4688.
