The highlighted areas on the above diagram represent how the PRIME-US curricular activities intersect with the curriculum

| Curriculum Phase | Description | Notes |
|---|--|--|
| Launch (Orientation) | PRIME-US students arrive early for a week of orientation which includes visiting community-based organizations; meeting public health and community leaders; and doing team-building | PRIME-US student attendance is required for all five days. Orientation includes one overnight retreat. |
| Foundations 1 | Two to three seminars per month. PRIME-US students have Tuesday afternoons reserved for these seminars. | 11-16 hours/month (includes travel to and from community locations for seminars and seminar preparation time) |
| Foundations 2 | One three-hour seminar during each ARCH week (ARCH 5 and 6) | 3 hours per ARCH week. Seminar may be held in the evening. |
| <i>Master's Degree or Equivalent Research Requirement</i> | PRIME-US@UCSF students are required to take a year between their Foundations 2/clerkship years and Career Launch to complete a masters degree or research program | PRIME-US@JMP students complete a master's degree as part of the JMP parallel curriculum. PRIME-US@UCSF students must apply for waiver to forego this requirement |
| Career Launch | Capstone course in Block 7 Arch week 7 seminar (3 hours) | Capstone is full time. No other courses taken simultaneously during Capstone. |

NOTE: In addition to the details noted in the table above, learners are required to complete a PRIME-US Community Engagement Project. This can be done at any time during the five years, including summers. It may be completed as a one-time event or a longitudinal project. There is grant funding to support the community partner's participation.
