(number of multiple mentions)**

Dr. Braunstein 1

Whelan 1

If you were to do anything differently in the residency application process, what would that be?

Nothing's

Apply to fewer programs

Please provide any other information that might be helpful to UCSF students who will apply to your specialty choice in the future

Stay in close contact with mentors and rely on them for specific insight into the field

Do aways at places you aren't familiar with or at places you are seriously considering moving to, not just at the big names.
