- Presentations take place for first 15 minutes
  - Post questions in Q&A.
  - If there is time after the panel, we’ll address questions. If not, questions will be answered in our online FAQ.

- Panel
  - Post questions in Q&A for panelists.
  - “Like” questions posted by your classmates to upvote them.
Winter Curricular Updates
Planning for Winter 2021

- As of 12/4/20 most of the counties in California, including San Francisco, are in the Widespread (purple) tier.
- We are hopeful that we can continue with our current winter and spring planning but will need to reassess as the pandemic evolves.
- Our goals:
  - Ensure your safety
  - Ensure the safety of patients and educators
In-Person Standardized Patient Sessions

- IDS 121C/D: CMC Standardized Patient Sessions
  ICS sessions will include opportunities to learn and practice clinical skills with standardized patients. We anticipate five sessions covering the following organ systems:
  - Functional Assessment
  - Musculoskeletal
  - Skin and Lymph
  - Abdomen
  - Vision
  - Synthesis of multiple physical examination techniques
CMC Preceptorships in 121C/D

Assuming we can ensure the 3 Ps (Patients, PPE, and Preceptors):

- Coach Preceptorships: Up to 2 half-day sessions with a coach to practice and receive feedback on direct patient care skills.
- Adult/Pediatric preceptorships: Up to 3 half day sessions in settings with adult and/or pediatric patients. Preceptors will be from both community clinics and UCSF and its affiliated sites.
- Student-led Preceptorships: Up to 3 sessions in clinical settings of your choice.

CMC Health Systems Improvement: CMC health systems improvement sessions are also in-person whenever feasible and safe.
Remote Instruction

- Remote instruction will continue in the following courses and elements:
  - IDS 123A: Inquiry Immersion
  - IDS 121C: REGN, H&S and Core Inquiry Curriculum (CIC), and ARCH
  - IDS 121D: PHD, Core Inquiry Curriculum (CIC)
Student Partnerships
How We Work Together

Curricular Governance Committees Student Reps

- Student Medical Education Council (SMEC)
- F1 Operations
