

Get Involved in Education Research

Discuss next steps with an education scientist.

Need experience with education research?

Ready for your own study?

Try these steps...

Develop Research Skills

Try these steps...

Join a research team.

Work on an existing study.

Ask study team lead for readings.

Familiarize yourself with the literature.

Scan HPE Journals:

- Academic Medicine
- Medical Education
- Medical Teacher
- Teaching and Learning in Medicine
- Advances in HPE: Theory and Practice
- Perspectives on Medical Education

What have you read?

IRB training and apply for IRB Approval.

<http://tiny.ucsf.edu/HPEres>

Literature searching: Visit Med Ed Librarian

Identified a gap?

Work on academic writing

- The Writer's Craft
- Problem-Gap-Hook
- Knowledge Claims

Write out your ideas.

What are your existing research skills?

Writing or research methods: Take a workshop.

UCSF Educational Skills Workshops

Need a research skills refresher?

Take on partial responsibility for a study.

ESCAPE

Present ideas or works in progress at ESCAPE.

- Design a simple study
- Literature/Gap/Conceptual Framework
 - Methods
 - Discussion
 - Results

Help a research team with dissemination.

Submit abstract or manuscript: Choose a conference or a journal.

Ready to disseminate?

Ready to try your own study?

Want to go deeper? Consider an MA or PhD in Health Professions Education
